

Ukrainian School Readathon

February 11 to April 21, 2012

Students K-5: improve your reading and help our school raise badly needed funds at the same time!

Step 1: ЗНАЙДИ СПОНЗОРИВ - Get sponsors – ask your parents, grandparents, aunts and uncles, friends – anyone who would like to support you! They can promise a flat amount, or an amount per book read! Fill out the Sponsor Chart on the Collection envelope!

Step 2: ЧИТАЙ І ЧИТАЙ! Read read read! Any book or magazine in Ukrainian (or even about Ukraine) counts! Every 15 minutes you spend reading counts as one book – so you can put the same title down multiple times – just list the pages/time spent reading. Someone can read to you, and that counts too! Be sure to keep filling out your yellow Reading Chart as you go!

Step 3: ЗБИРАЙ ДАТКИ - Collect pledge money from your sponsors at the end of our Readathon period (checks may be made out to “Ukrainian School”), and put it in the Collection Envelope.

Step 4: ВІДДАЙ ВЕСЬ МАТЕРІЯЛ - on April 21, turn in your yellow Reading Chart and your Collection Envelope with the blue Sponsor Chart on it! Make sure your name is on everything! (Lose the forms or envelope? Download them from our school website or use plain paper; use a plain envelope labeled with your name).

Step 5: НАГОРОДИ! Receive prizes for all your hard work!!! **See the other side of this sheet for the prizes you can win!**
