

UKRAINIAN SCHOOL READATHON 2012

February 11 to April 21

Grades 6-11: Improve your reading and help our school raise badly needed funds at the same time!

Step 1: Знайди спонзорів - GET SPONSORS – ask your parents, grandparents, aunts and uncles, neighbors and friends – anyone who would like to support you! They can promise a flat amount, or an amount per book read! Fill out the Pledge Form on the Collection envelope!

Step 2: Читай і читай! READ READ READ! Any book or magazine in Ukrainian (or even about Ukraine) counts! Every 15 minutes you spend reading counts as one book – so you can put the same title down multiple times – just list the pages/time spent reading. You may use your homework reading too! Be sure to keep filling out your yellow Reading Form as you go!

Step 3: Збурай датки - COLLECT PLEDGE MONEY from your sponsors at the end of our Readathon period (checks may be made out to “Ukrainian School”), and put it in the Collection Envelope.

Step 4: Віддай весь матеріял - on April 21, TURN IN YOUR YELLOW READING FORM AND YOUR COLLECTION ENVELOPE WITH THE BLUE PLEDGE FORM ON IT! Make sure your name is on everything! (Lose the form or envelope? Download them on our website at www.ukrainianschooldc.org and just use a plain envelope labeled with your name).

Step 5: Нагороду! Receive PRIZES for all your hard work:

- an iTunes gift card for one song *for each level* you reach in increments of 15: 1 book (remember, this is a unit of 15 minutes!), 15 books, 30 books, 45 books, 60 books, 75 books
- the top fundraiser receives a surprise book,
- and the top reader gets a Tryzub pendant
